Founded in 1994, Ansia Textile is a company that produces luxury winter ready made clothing in the global clothing industry, a family of +200. It provides production to its customers especially in the fields of sportswear, corporate clothing, fashion and promotion. It also operates in the European and North American markets with the Land off OWL brand it established in 2015.

These collections, which are currently offered and can also be prepared according to customer demands, are designed in accordance with the latest trends and fashion and are capable of meeting the demands of customers all over the world. Ansia Textile customer portfolio includes world-famous brands in the fields of treet fashion and sports, sent to every corner of Europe, England and Scandinavia.
